

# WANTED

## Veterinarian

Full-Time starting immediately

**Looking for an experienced and enthusiastic veterinarian seeking a career in Shelter Medicine.**

**ABOUT US:** ALBERTA ANIMAL RESCUE CREW SOCIETY is a registered non-profit charity located in Calgary, Alberta facilitating over 3,000 animal adoptions each year and providing numerous community support programs across the province, including Disaster Response, Emergency Medical Care, Emergency Foster Care, and Spay/Neuter Assistance Program. Our mission is *Changing Lives Through Kindness*. In 2017, AARCS is moving the shelter to a new location, which will include a 3,000 square foot veterinary hospital. This role is responsible for ensuring all animals within AARCS are provided with the best possible medical care. This includes treatment, diagnostics and surgery.

**ABOUT YOU:** The Veterinarian is a confident surgeon with exceptional time-management and organizational skills. Holds the ability to work in a fast paced environment. Having both a love for animals and a good understanding of shelter medicine. You are positive, friendly, and approachable. You work well in a team environment. You are confident with an intuitive ability to understand animal health as a top priority. You love working with animals and take pride in helping less fortunate animals. You take great personal satisfaction in your work. You are flexible and are able to work some evenings or weekends to accommodate intake at the shelter.

### **POSITION REQUIREMENTS:**

1. Genuine interest in animal welfare and shelter medicine.
2. Licensed DVM in the province of Alberta and member in good standing with ABVMA.
3. Minimum of 5 years experience.
4. Be comfortable handling both cats and dogs. This includes feral cats and shy, timid or reactive dogs.
  5. Performs high volume sterilization surgeries and other surgical procedures for shelter/foster animals with high level of proficiency and care.
6. Confident performing various surgical procedures beyond the routine. For example femoral head ostectomy (FHO) and amputations.
7. Highly developed cooperation, collaboration and problem-solving skills.

**Apply Now:** Qualified candidates should forward a cover letter speaking directly to the requirements list with an attached resume to Ariana Lenz, Medical Manager before July 8, 2017.
