Thank you!

Thanks to your support, we have been able to help thousands of animals. Because of you, these animals are safe, warm and loved and will be provided with everything they need to take the next step in their journey of finding a forever home and family of their own. We continue to be a leader in animal welfare in Alberta providing innovative programs to help keep pets in their homes and out of shelters and when they must come here, we provide the medical care, support, and enrichment needed to see them through. We are eternally grateful to be supported by amazing people and businesses like you who make it all happen. **Thank you** from all of us at AARCS for your continued support.
